

Founded in 1951 and affiliated with the Episcopal Diocese of Southern Ohio, Episcopal Retirement Homes (ERH) conducts a not-for-profit ministry dedicated to providing services primarily to older adults. ERH owns and manages Deupree House, Deupree Cottages, Marjorie P. Lee Retirement Community and St. Paul Village in Cincinnati. ERH bases its services and care on the six dimensions of wellness – emotional, intellectual, physical, social, spiritual and vocational. The goal is to enhance opportunities for seniors, allowing them to reach their optimal level of health, wellness and independence. ERH is currently seeking candidates for the following position at our Marjorie P. Lee location:

**POOL AND FACILITY MAINTENANCE TECH  
Part Time, Day Shift, Variable Hours**

**Job Duties:**

- Performs daily testing of the communities' pools and makes any and all chemical adjustments to the water while observing all safety standards and procedures
- Performs troubleshooting of any pool and spa problems
- Performs preventative maintenance duties and daily/weekly upkeep including, but not limited to, brushing the pool, cleaning the filter baskets, cleaning the spa, backwashing the pool and spa, and other duties as assigned
- Assists in daily upkeep of community locker rooms, including laundering of towels and linens
- Maintains Certified Pool Operator license and performs all duties within the scope of licensure

**Qualifications:**

- Must have a Certified Pool Operator license or be willing to obtain license
- Must have experience in pool/spa management or related field
- High School Diploma or equivalent
- Valid state driver's license required
