Over the years, women from all around the greater Cincinnati area have joined the group. In a short time after its founding, the chorus was able to raise money from performances to donate to the music program in the Forest Hills Schools. After donating funds for equipment, the chorus was then able to raise enough money to start The Forest-Aires Scholarship Program to fund vocal lessons for high school students. That program is still in existence and The Forest-Aires Women's Chorus has awarded voice scholarships to over 300 high school students, and another four students will be chosen this fall. |

In blue-collar Lake Como, New Jersey, family comes first. Recently divorced from Bobby Bilancia, "the perfect husband," Jess moves into her parents' basement to hide and heal. Jess is the overlooked daughter, who dutifully takes care of her parents, cooks Sunday dinner, and puts herself last. Despite her role as the family handmaiden, Jess is also a talented draftswoman in the marble business run by her confidant, her dapper uncle Louie, who believes she can do anything (once she invests in a better wardrobe). When the Capodimonte and Baratta families endure an unexpected loss, the shock unearths long-buried secrets that will force Jess to question her loyalty to those she trusted. Fueled by her lost dreams, Jess takes fate into her own hands and escapes to her ancestral home, Carrara, Italy. From the shadows of the majestic marble-capped mountains of Tuscany, to the glittering streets of Milan, and on the shores of enchanting Lake Como (the <i>other</i> one), Jess begins to carve a place in this new/old world. When she meets Angelo Strazza, a passionate artist who works in gold, she discovers her own skills are priceless. But as Jess uncovers the truth about her family history, it will change the course of her life and those she loves the most forever. In love and work, in art and soul, Jess will need every tool she has mastered to reinvent her life. Books are available in the Victoria Lobby.
