# Episcopal Church Home Board Corner Report- December 2025

There's something truly special about the fall months at ECH. The air fills with a crispness along with laughter, creativity, and the joy of celebration as we come together to honor the season's many traditions. This year, our festivities began with a lively pumpkin decorating contest that showcased everyone's artistic side, followed by a Halloween costume contest that brought smiles all around.

Everyone had the opportunity to vote for their favorite pumpkin design and costume, which made the events even more exciting and engaging. The friendly competition brought plenty of laughter and encouragement as residents and staff cheered one another on.

But this Halloween was extra magical! In celebration of the 50th anniversary of The Wizard of Oz, our talented Director of Physical Therapy, Jessica, poured her heart into creating handmade costumes for our residents. Each piece was thoughtfully designed, capturing the whimsy and wonder of the beloved story.

When our residents arrived dressed as Dorothy, the Tin Man, the Scarecrow, and the Cowardly Lion, and not to forget the Wicked Witch of the West, and of course, the person who brought it all together was Jessica herself, who dazzled as Glinda the Good Witch. With her sparkling gown and warm smile, she added the perfect touch of magic to our journey down the Yellow Brick Road. It truly felt like we had been transported somewhere over the rainbow.

Truly a moment filled with joy, community, and a touch of old-fashioned magic.
