Festive December at ECH

December was filled with holiday cheer across the ECH campus, thanks to the many volunteers and staff who helped make the season special.

Festivities kicked off with a Kling Orchestra performance, a longtime favorite, followed by Christmas caroling and parties hosted by the Women's Board.

The Girl Scouts also paid a visit, bringing smiles as they helped residents create gingerbread houses. Each special in its own way.

Santa even stopped by to check on who had been naughty or nice, delighting residents and adding extra magic to the season. We also enjoyed a trip to one of the resident's favorites, **LIGHTS UNDER LOUISVILLE** at the Mega Cavern! This highlight brought much excitement and plenty of smiles.

As the month continued, staff showed off their creativity during an ugly sweater contest, while residents enjoyed plenty of homemade cookies and cakes to sweeten the celebration. And in true Kentucky fashion, December kept us guessing. Temperatures climbed into the high 70s one day, only to drop nearly 50 degrees the next. BUURRRR!

It was a joyful, memorable way to close out the year and welcome the New Year with a very frigid bang. As we close out the year, we wish everyone a bright, joyful and healthy New Year in the coming months ahead.
