JAN’S“JIVE”

We sure know summer has arrived by the heat we are feeling these days!

Welcome back DeVosta from FLMA. It is good to have him back. I am sure we will be having more activities planned for the summer. More info to come.

Thank you Friends Group who provided soup & sandwich recently. It was nice to see everyone together and enjoy each other’s company, and getting to know each other a little better.

Thanks to Lucas for helping while DeVosta was off.

A few reminders:

We have been finding carts in the hallways. If you use a cart, please return it as soon as you are finished with it. Please do not leave it sitting outside your door for long periods of time or overnight.

To our gardeners, please make sure you are paying attention to the weather. Keep well hydrated while being outside.

We will be removing the pawls on July 1st and the AED box will also be removed. Make sure your family is aware that the pawls are being removed and that they check in on you.

Our Book Club meets the first Tuesday of the month at 2:00pm.

We have exercise every Monday at 1:00pm

Pest Control will be on the first floor this month. Remember, they are just checking and will not be spraying unless there is an issue.

We are continuing to have spills in the game room. Please report spills and use a covered cups for drinks.

The 4th of July celebrates the American colonies independence from Great Britain, making the birth of the United States of America as a sovereign nation. This day is celebrated with patriotic events, fireworks, parades and family gatherings symbolizing America’s freedom and unity. It is a federal holiday in the United States honoring the country’s history, democracy and the spirit of independence.

Our office will be closed on Friday July 4th and will reopen on Monday July 7th.
